The funeral of Enoch L. Sexton was preached by Elder T. P. Degman Wednesday at 1 o'clock at his late home. Burial at the Wells burying-ground. Deceased was highly respected by his neighbors, who lament his sad death Monday. Mr. Sexton leaves three daughters, Misses Edith, Nettie and Mrs. Lizzie Rash, to mourn their loss.

Mr. William Chunn, who lives across the river from Springdale, and is blind, fell on the ice Thursday of last week and was seriously injured. It was thought no bones were broken but he is unable to walk or move his limbs. On account of his age, about 75 years, his recovery is doubtful. It will be sad news to his many friends.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it.
